What Is Included

- Three scheduled solar panel cleaning visits per year.
- De-ionized water cleaning during each visit.
- Basic inverter visual check during visits where accessible.
- Priority booking support for AMC customers.
- Service report after each visit.

Service Notes

- Repair work and replacement parts are not included in the AMC base price.
- Final AMC price depends on system size, panel count, roof access and dirt level.
- Best for homes that need planned care without monthly visits.

Note: Actual results depend on panel condition, dust levels, weather and prior maintenance history.
